The reply filed on January 11, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

37 CFR 1.111(b) states:

"The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references."

Claims 66-69 are newly added. No arguments are presented as to how these claims distinguish from the applied prior art in the record (the reference to Kolling et al.)
